Amended Certification Regarding Eligibility  
To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. § 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 19, 2013, applicable to workers of Interstate Brands Corporation (IBC), a wholly owned subsidiary of Hostess Brands, Inc., operating at locations throughout the state of Arkansas (TA-W-82,165D). The Department's notice of determination was published in the Federal Register on February 25, 2013 (78 FR 12795).

At the request of a state workforce office, the Department reviewed the certification for workers of the subject firm. The workers were engaged in activities related to the production of baked goods such as bread, buns, rolls, snack cakes, doughnuts, sweet rolls and similar products.

The company reports that workers leased from CorTech, LLC were employed on-site at the West Helena, Arkansas location of Interstate Brands Corporation (IBC), a wholly owned subsidiary of

Hostess Brands, Inc.. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from CorTech, LLC working on-site at the West Helena, Arkansas location of Interstate Brands Corporation (IBC), a wholly owned subsidiary of Hostess Brands, Inc..
